THE HEVENINGHAM COLLECTION by Annie Eadie is the ultimate in stylish, elegant iron furniture custom-made in Great Britain. Only the highest quality materials are used throughout the manufacturing process and all our designs are hot zinc coated, followed by powder coating, thus ensuring that the furniture is both luxurious and highly durable. Perfect for the home, terrace, conservatory or poolside.

THE HEVENINGHAM COLLECTION designs include, elegant dining sets, chaise longue, armchairs and tables in a variety of sizes, bar stools, benches, Versailles tubs and swing seats which have proved extremely popular with clients in a wide range of locations and climates in Europe including Austria Belgium, France, Germany, Italy, Portugal and Switzerland. In North America we have supplied our designs to clients in Alabama, California, Colorado, Florida, Georgia, New York, Texas and in Canada.

THE HEVENINGHAM COLLECTION designs have supplied many discerning hotel groups such as The Connaught, The Berkeley, Claridges and The Mandarin Oriental in London. The Sandy Lane in Barbados, Lime Wood in Hampshire, Whatley Manor in Wiltshire, The Fitzwilliam in Dublin and many other locations around the World.
