To the left: instead of antique *suzanahs*, large *toile de Jouy* pillows line the Majorcan bed in this guestroom. A pale Persian carpet covers the floor.

Above left: a simple English bench stands in this bathroom, while pretty floral prints hang above the basin's latticework cupboards.

Above right: the terrace, set with simple cushioned furniture, offers wide romantic views of the tree-covered Majorcan hills and mountains

inspiration

Some of the design effects in this issue, recreated by Maria Yiannikou

1 Looking for a barley-twist bed like the one Michael Smith chose for his client's Majorcan home (page 144)? Rest easy because Dessin Fournir's mahogany 'KJ9001' four-poster, by Kerry Joyce, is a good match. Prices start at \$20,040 for queen size. Ring 001 785 434 2777, or visit dessinfournir.com.

2 The hanging lantern in the living room of the home Michael Smith decorated (page 140) is, happily, within your reach.

Soane's 'Topkapı' design is a dead ringer. It's available in five finishes (shown here in antique gilt) and three sizes. Prices start from £7,400. Ring 020 7730 6400, or visit soane.co.uk.

3 Longing to get your hands on the locally produced textiles in the Majorcan house (page 140)? Do as Michael Smith did and go to Artesania Textil Bujosa in Santa Maria del Camí. The 'Torrella' (top) and 'Rombitos' cotton/linen fabrics shown here cost £20 approx per m. Ring 00 34 971 620054, or visit bujosatextil.com.

4 If you think the outdoor seating at the Majorcan haven is heavenly (page 147), then The Heveningham Collection is the answer to your prayers. Its elegant iron furniture range starts at £890 for a stool with buttoned cushion, and £5,185 for the set shown here. Ring 01489 893481, or visit theveningham.co.uk.

5 Are you inflamed by the bedside lamps in El Patron's master bedroom (page 144)? Vaughan's red-and-blue ceramic 'Imari Vase' light is a similar design, and costs from £311. Ring 020 7349 4600, or visit vaughandesigns.com.

6 Put your feet up on a chair-and-ottoman set like the one in El Patron's main guest-room (page 146). Sean Cooper's 'Winchester' armchair and run-up is similar and costs £2,670. Ring 01264 811008, or visit seancooper.co.uk.
