The '**Lounge Chair**', part of the Hemisphere Collection by Dedon, is made of the waterproof fibre Hularo, which is exclusive to Dedon. It measures 76 x 122 x 101cm, and is available in natural, seen here, with a choice of coloured cushion covers. The chair costs £1,005, and cushions cost from £265 a set. For details, call Leisure Plan on 01279-816001, or visit www.leisureplan.co.uk.

The Heveningham Collection's iron '**Deck Chair**' is handmade in Britain, and is available in black (seen here), dark green, gunmetal and silver, or can be custom coloured. It is hot-zinc- and powder-coated, so can be left outside all year, measures 93 x 51 x 104cm, and costs £595. Call 01962-738877, or visit www.heveningham.co.uk.

The Chilstone '**Lion Bench Seat**' (C4200) is a handmade, reconstituted-stone copy of a classic design, with a moulded top on two supports with lion mask and honeysuckle details. It measures 44.4 x 125.8 x 40.6cm, can be colour-matched to any natural stone - including York, Cotswold, Portland and Bath - will weather naturally with age, and costs £293. For stockists, call 01892-740866, or visit www.chilstone.com □
